Our Piping Awards (2008 awards shown) will again be provided in 2009 by Nagle Forge & Foundry. The Individual award (shown above on an oak table in the background) is a 5 oval laser etched wooden disk.

Below is the Piper Of The Day Award presented to the top score in each grade. It is a 6"x4" laser etched wooden plaque with Nagle's Pewter Piper attached.

Either of these awards look great on a small tripod easel.

We are extremely proud of our partnership with Nagle Forge & Foundry and are grateful for their sponsorship of our Piping awards.
